MODERN DRUMMER™ Publications, Inc.

an international publishing company exclusively for drummers/percussionists

Dear Subscriber:

Your subscription to Modern Drummer will be up for renewal in just a few short months. By renewing your subscription now — instead of waiting until it expires — we can guarantee that you won't miss one single issue of Modern Drummer, the world's most informative publication for the serious drummer.

- * In-depth feature interviews with the greatest drummers in the world today!
- * Updates on the latest styles, concepts, trends, equipment and up-and-coming talent!
- * A roster of informative columns on every phase of drumming — each one designed to help you be the best you want to be!

But you must act now! Just complete and mail the enclosed renewal notice today. Then sit back and relax. You can be certain of uninterrupted service, and you can look forward to still another great year of Modern Drummer Magazine.

Cordially,

Ronald Spagnardi
